RE: Kiawah Island Utility, Inc. to File Proposed Changes in Rates, Charges,  
Classifications and/or Regulations for Water and Sewer Service.  
Docket No. 2021-324-WS

Dear Ms. Boyd:

Pursuant to S.C. Code Ann. § 58-27-860 (2015), Kiawah Island Utility, Inc., ("KIU") filed a Notice of Intent To File an application with the Public Service Commission of South Carolina ("Commission" or "PSC") no earlier than thirty (30) days from October 11, 2021, seeking adjustments in the KIU's water and sewer rate schedules and tariffs.

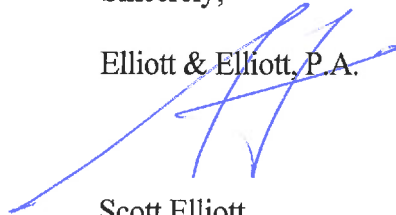

Thereafter, we received a copy of a Proposed Scheduled Dates, Including Bill Insert Timeline to Customers dated October 13, 2021, from the PSC setting forth various proposed filing dates, and requesting KIU's response by October 22, 2021. The proposed dates assume that KIU will file its rate application 30 days after the notice of intent was filed. KIU has not made a final decision as to when to file the rate case application; however, when that decision is made, we will give the Commission advance notice so that the Commission can begin its planning process. Because the proposed timeline is premature at this time, we would request that the Commission hold the proposed timeline in abeyance until KIU notifies the Commission in advance of the date on which it plans to file the application. We discussed this matter with Chris Huber, Counsel for ORS and Roger Hall, Counsel for Department of Consumer Affairs and advised them of what is included herein. Additionally, please note that KIU will be represented in this matter by Charles L.A. Terreni and me. Please update your records accordingly.
